## Pharma and Life Science Day 2021

Following several cancellations and postponements, we are more than happy to invite you once more to our Pharma and Life Science Day to be held on **12 November 2021** in **Schloss Suresnes** in Munich.

After nearly one year and a half of virtual events, our Pharma and Life Science Day will offer a much needed opportunity to finally meet again in person and to connect with old and new friends during a day of lively discussions.

However, we also understand that not everyone will be able to come to Munich in person. Therefore, the event will be held in hybrid format and the presentations live broadcasted via a digital conference tool.

The topics we will cover range from recent decisions at the Chinese Supreme Court, the WTO TRIPS waiver and preliminary injunctions at the future UPC to ways of claiming methods of diagnosis in the US.

As always, after the event, we would like to welcome you to **our reception at the Seehaus Englischer Garten.**

For more details and registration, please visit <https://www.stolmar-ip.com/de/pharma-day>.

We are looking forward to welcome you in Munich on 12 November 2021!

**How to protect methods of diagnosis in the US**

  
MILLEN, WHITE, ZELANO & BRANIGAN, P.C.

from 17:30 Reception at Seehaus im Englischen Garten

## **Schloss Suresnes in Schwabing, Munich**

Well hidden in the heart of Schwabing, just a stone's throw from the Englischer Garten, is the Schloss Suresnes (Suresnes Manor). The building, also known as Werneckschlößl, was built in 1715, after the model of Château de Suresnes near Paris.

After being neglected at the beginning of the 19th century, the manor became a popular meeting place for young artists towards the end of the 19th century. Paul Klee spent some time here and created important works such as "Landscape with the Black Columns".

Today, the manor belongs to the Archbishopric of Munich and Freising and has been used as a conference center for the Catholic Academy of Bavaria since the 1970s.

Registration fee is 200 EUR in person, 50 EUR digitally.

RSVP until 29 October 2021.

Accommodation at Schloss Suresnes can be arranged on a first come, first serve basis.

For any questions, please contact **Dr. Denise Nestle-Nguyen** at [pharmadays@stolmar-ip.com](mailto:pharmadays@stolmar-ip.com).
